After each filing deadline, staff will evaluate the caseload and adjust schedules accordingly. If there is a large caseload, items will be scheduled on a first-come, first-serve basis. Submitting your information on an established deadline day in no way guarantees that you will be placed on the corresponding Planning & Zoning Commission, City Council, Zoning Board of Adjustment, or Design Review Board meeting. Staff may schedule a facilitation meeting the following week with the applicant to discuss staff review comments on each project. If you have any questions or comments, please contact Development Coordinator Bridgette George (bgeorge@cstx.gov) at 979.764.3570.

Site Plans/Construction Documents/Drainage Reports Deadline Dates:

All site plans, construction documents and drainage reports that are not required as part of a case before the Planning and Zoning Commission or City Council, must be submitted by any Monday at 10:00 a.m. Information submitted after 10:00 a.m. on Monday will not be scheduled for staff review until the following week. (In case of a Monday holiday, the deadline will be moved to the next business day at 10:00 a.m.)
